Re: Notice of Project (NPC) for Hoosac Wind Project, EEA #13143

Dear Ms. McDevitt:

On behalf of Iberdrola Renewables, Inc., the proponent for the above project, we agree to extend the decision period for issuance of the Secretary's certificate on the above NPC for a period of up to 30 days, through February 5, 2010. We understand that this time extension will assist the Secretary in reviewing issues raised during the public comment period.

Sincerely,

Jay Wickersham
